

## Closure of Overdown Road, Tilehurst

Tilehurst Parish Council has been advised by West Berkshire Council that Overdown Road will be closed as follows -

The closure is expected to commence on the 19<sup>th</sup> August 2019 and continue until the 14<sup>th</sup> February 2020. Though every effort had been made to ensure the dates stated are accurate, this is subject to available resources, therefore may vary.

The extent of this closure will be from its junction with Tring Road and its junction with Dark Lane.

It is expected that the works will take place in 2 Phases, Phase 1 will be from junction of Dell Road to junction of Tring Road; Phase 2 will be from Dark Lane/Overdown Road roundabout to the junction of Dell Road.

'No Waiting' will be permitted along Fairford Road & Tring Road, where its strategic use is required.

The same roads will have a 20mph speed limit in force, again this is to help create a safer environment for both motorists and pedestrians alike whilst the diversion is in place.

The alternative route for all vehicles affected is via Dark Lane, Long Lane, Knowsley Road, A329 (Oxford Rd), into Overdown Road and vice versa.

This closure is so SGN can carry out the replacement and reinforcement of the gas main along the carriageway.

Access for residents will be maintained.

Any enquiries should be directed to SGN on 0800 912 1700

Details of the closure can be found on the following link: [Overdown Road Closure](#)
